The total consideration payable by the Company for the buyback equals the amount that provides Meritz with a 12.5% internal rate of return, calculated for the period between the Merger Closing Date and the date of the closing (the “Closing”) of the buyback (the “Closing Date”), on US\$175 million.

Closing is subject to customary closing conditions and is expected to take place by the end of 2024. In the event that Closing does not take place on or prior to December 31, 2024, except due to Meritz's failure to satisfy certain closing conditions, (i) an event of default will be deemed to occur under the Subscription Agreement and Meritz will have the right to enforce the security under the Subscription Agreement, and (ii) Meritz will have the right to terminate the Share Buyback Agreement.
